## EXECUTIVE SUMMARY

Kaiser Permanente National Community Benefit Fund of the Easy Bay Community Foundation is providing a \$1 million grant to support Denver's Housing and Homelessness Services Fund and COVID-19 suppression efforts among individuals experiencing homelessness.

The fund was established last year and provides bridge housing vouchers, expanded day shelter access, critical shelter improvements, and enhanced onsite programs and services to better connect residents with permanent housing.

The support from Kaiser Permanente National Community Benefit Fund of the Easy Bay Community Foundation will support COVID-19 suppression efforts such as:

- **Isolation/Quarantine:** Providing activated respite and rapid rehousing assistance, enabling quarantine and isolation of COVID-19 positive and exposed individuals experiencing homelessness.
- **Expanded Testing:** Prioritizing and facilitating testing of shelter staff and guests.
- **Contact Tracing:** Encouraging use of the Homeless Management Information System (HMIS) for all Denver metro area providers, enabling more reliable identification of specific individuals experiencing homelessness.
- **Cleaning & Hygiene:** Funding cleaning and sanitation of necessary supplies, enabling better hygiene in Denver's shelters.
