The extent of the affected portion to be replaced or relocated by Permittee shall be determined by the Manager of Public Works. (g) The sidewalk and street/alley over the Encroachment Area shall be capable of withstanding an HS-20 loading in accordance with the latest AASHTO Specifications. All repair work shall be accomplished without cost to the City and under the supervision of the City Engineer.

(j) The City reserves the right to make an inspection of the Encroachments contained within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

(k) This revocable permit shall not operate or be construed to abridge, limit or restrict the City and County of Denver in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent rights-of-way.

(l) During the existence of the Encroachments and this permit, Permittee, its successors and assigns, at its expense, and without cost to the City and County of Denver, shall procure and maintain a single limit comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All coverages are to be arranged on an occurrence basis and include coverage for those hazards normally identified as X.C.U. during construction. The insurance coverage required herein constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or lessen the liability of the Permittee, its successors or assigns, under the terms of this permit. All insurance coverage required herein shall be written in a form and by a company or companies approved by the Risk Manager of the City and County of Denver and authorized to do business in the State of Colorado. A certified copy of all such insurance policies shall be filed with the Manager of Public Works, and each such policy shall contain a statement therein or endorsement thereon that it will not be canceled or materially changed without written notice, by registered mail, to the Manager of Public Works at least thirty (30) days prior to the effective date of the cancellation or material change. 3 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions
4 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of
5 the City and County of Denver. The failure to comply with any such provision shall be a proper basis
6 for revocation of this permit.

7 (n) The right to revoke this permit is expressly reserved to the City and County of Denver.

8 (o) Permittee shall agree to indemnify and always save the City and County of Denver
9 harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights and

11 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council
12 of the City and County of Denver shall determine that the public convenience and necessity or the
13 public health, safety or general welfare require such revocation, and the right to revoke the same is
14 hereby expressly reserved to the City and County of Denver; provided however, at a reasonable
15 time prior to Council action upon such revocation or proposed revocation, opportunity shall be
16 afforded to Permittee, its successors and assigns, to be present at a hearing to be conducted by the
