Was this contractor selected by competitive process? No **If not, why not?** Due to the nature of this health crisis the loss of income and its' impact to Denver residents previously employed requires an immediate response. Impact Charitable has an established process and proven procedure to disburse Denver funds to its residents as have they have done for other Colorado recipients that are similarly situated to those in the city and county of Denver. Therefore, HRCP requested that Impact Charitable be used as the contractor to assist Denver residents who were previously employed but due to COVID 19 have lost employment and are neither eligible for federal relief through the CARES Act nor are eligible for state unemployment insurance.
