Date Entered:

Date:August 7, 2020Subject:Proposed Changes to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by abolishing various classifications from the city's classification structure.

Every year the Classification and Compensation team reviews classifications not being utilized for potential abolishment from the city's classification structure. Classification and Compensation partners with HRTI to develop the list of classifications that meet the following criteria:

- 1.) The class was created before the start of Workday (1/1/17)
- 2.) The class is not currently in use by any agency (0 incumbents)

Available Workday reporting tools offered insight into how long the classification has been vacant, in conjunction with vetting these unused classifications with the Compensation team, and with the appropriate stakeholders at each agency, to confirm that agencies don't intend to use these unused classifications in the future. As a result, we are proposing to abolish 10 classifications through our annual review and cleanup of non-utilized classifications.
