RE: Application to Deferred Compensation Plan Committee

Greetings:

I received an invitation to serve on the Deferred Compensation Plan Committee through the Denver Employees Retirement Plan (I am a City of Denver retiree). I inquired as to the commitment expected and find that I am able to volunteer the required time to be a committee member.

Throughout my employment with the City and County of Denver, I considered the 457b Plan to be one of the most important retirement planning tools available to employees. A long-term investment vehicle must be managed prudently be easy to navigate and personalize for it to be a successful and valuable employment benefit.

I personally relied upon this benefit and would like to share my several-decade experience and knowledge acquired therefrom and hope to be a contributing member of this committee.

Sincerely,

Jon M. Braverman, MD

Professor of Clinical Ophthalmology, Ret.
