

Rhonda's Place PAB

Finance and Governance Committee

Michael Kerrigan, Financial Analyst Specialist

Legislative Summary

Resolution request to approve and evidence the intention of the City and County of Denver to issue an amount not to exceed \$8M of Multifamily Housing Revenue Bonds for the Rhonda's Place project to support the construction of a new affordable housing project.

- The Rhonda's Place project is new construction of a 50-unit affordable housing project located at 203 S. Federal Blvd.
 - The project is anticipated to include 49 one-bedroom, one-bathroom units limited to 30% Area Median Income (AMI).
 - The project will also include 1 manager unit.
- The project is expected to house individuals experiencing homelessness in a supportive environment with on-site services including: managing housing, finances, employment, medical care, family and daily life.
- The property owner, REDI Corporation and its affiliates who are partnering with BlueLine Development, Inc., will build the project.
- The project is anticipated to include 3 stories with building amenities including: a clubhouse, fitness room, library and computer room, laundry facilities, dining room kitchen, and common activity room.

PAB Overview

Private Activity Bond (PAB) capacity

- PABs are tax-exempt bonds issued by or on behalf of the City, often to help attract private investments into projects with a public benefit, like affordable housing.
- Through PABs, the City can borrow at tax-exempt rates for private entities to lower the borrowing costs, but the City does not pledge its credit for these bonds.
- The Internal Revenue Service allows a limited amount of tax-exempt PABs to be issued, thus creating a PAB allocation process based on a state's population.
- PABs are not voter approved bonds pledging the City's full faith and credit.

PAB Financing

City intends to use a portion of its PAB capacity for the project

- **PAB is a tax-exempt borrowing tool for a privately-owned project which meets a qualified public purpose – in this case long-term affordable rental housing.**
 - Interest paid on the bonds is exempt from federal taxation, thus lowering the interest rate and costs for the project.
 - If a multi-family project is awarded 4% LIHTCs, the IRS requires at least 50% of the project costs to be financed with PABs.
 - The amount of PABs that can be issued in a state is limited under federal law based on the state's population; the issuer must therefor allocate a portion of the limited PAB capacity to the financing.
- **PAB issuance typically requires two legislative actions:**
 1. Inducement Resolution- reserves the PAB capacity for the project.
 2. Bond Ordinance- approves the bonds and related financing documents.

Inducement Resolution

- Officially reserves \$8,000,000 of PAB capacity specifically for the Rhonda's Place project.
- Requires the project to come back to City Council to issue the bonds and approve all necessary financing documents.
- After passage the Inducement Resolution sets a date of reference for IRS regulations.
 - Costs incurred 60 days prior to the Inducement Resolution become eligible bond expenses.
 - Important for the project, as it allows site planning, engineering, and architectural sunk costs to become eligible bond expenses.

Anticipated Timeline

- **Inducement resolution timeline**
 - 5/17/2021- Resolution request deadline
 - 5/25/2021- FINGOV Committee or consent
 - 6/1/2021- Mayor Council
 - 6/7/2021- City Council meeting
- **Summer-**
Come back to City Council for bond ordinance approval and committee presentation.

What is a PAB?

- A bond issued by local and state governments and agencies for the purpose of financing a project that is owned and operated by a private party.
- The interest paid on the bonds is exempt from Federal taxation.
- Essentially a PAB lowers the financing costs for a project.
 - Provides opportunities for affordable housing projects to be completed.
- The Internal Revenue Service allows a limited amount of tax-exempt PABs to be issued, thus creating the PAB allocation process based on a state's population.

PAB Allocation Process- administered by DOLA

PAB Allocation Parameters

- Once local government is awarded the PAB allocation, the IRS allows the PAB allocation to be carried forward up to 3 years.
- By Feb. 15 each year the IRS requires issuers to make an irrevocable election for the carryforward from the previous year.
 - Issuers elect to carry forward their PAB into “buckets”. Historically Denver has designated its carryforward towards Single Family Mortgage/MCC and Multifamily uses.
- Typically the City applies for and receives additional PAB allocation from the unused Statewide Balance.

City Use of PABs

- Typically in Denver, PABs have been used for:
 - Affordable Housing Projects
 - Mortgage Credit Certificate Programs

City's PAB Partners

- Denver Housing Authority
 - Provides affordable housing options to citizens
- Colorado Housing Finance Authority
 - Provides affordable housing and financing options for income restricted housing units
- Private Developers
 - Provides Low Income Housing Tax Credit projects creating income restricted housing units.
