

I move that Council Bill 21-0661 be amended in the following particulars:

- 1) On page 1, line 21, strike “June 18, 2021” and replace with “**July 7, 2021**”.
- 2) On page 1, line 22, strike “20210056A” and replace with “**20210059**”.

PURPOSE OF THE AMENDMENT

The purpose of this amendment is to extend the timeframe in which major projects that have received approval by the city to be designed under the 2016 building and fire codes are to receive permits and begin construction. This amendment replaces the package of building and fire code amendments filed previously with the clerk, with a revised set of amendments that allows approved major projects designed under the 2016 building and fire code to receive permits and begin construction by April 22, 2022. Specific changes are found in Denver Building Code administration section 103.10.2.6 and Fire Code section 102.13.2.6 The prior set of amendments required permits to be obtained and construction commenced by July 31, 2021.
