

## RISE DENVER

**2021 General Obligation Bond** 

**Budget and Policy Committee Meeting July 15, 2021** 

**Department of Finance** 

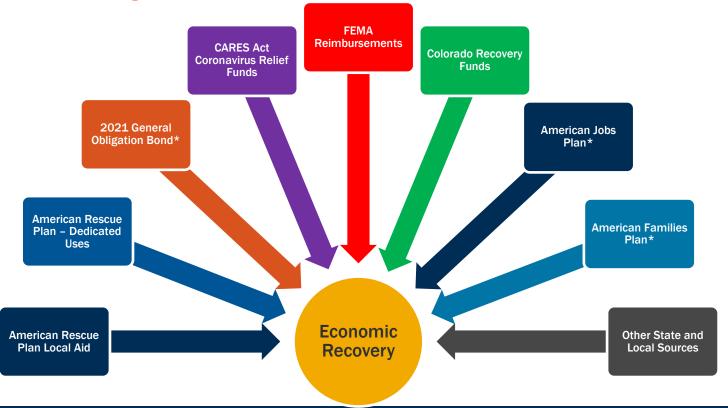

#### **Overview**

- 2021 General Obligation Bond Planning Process
- Internal Project Evaluation
- Infrastructure Public Feedback
- City Council Priorities
- General Obligation Bond Executive Committee Process
- Next Steps

## **Denver's Recovery Funds**

- Mix of federal, state, local funds
- Funding specific guidelines, timelines

\*Not Yet Authorized

#### **General Obligation Bonds**

- Denver voters have authorized major periodic general obligation bond issues every
   9 years to restore, replace, and expand our existing capital assets.
- The City has a strong history of successfully implementing GO bond programs during US recessions to provide economic benefit.

GO Bond Program	Amount	Recession
1989 GO Bond	\$241.7M	Early 1990s (1990)
1998 GO Bond (Neighborhood Bond)	\$98.6M	Early 2000s (2001)
2007 GO Bond (Better Denver Bond)	\$549.7M	Great Recession (2007)
2017 GO Bond (Elevate Denver Bond)	\$937M	COVID-19 Recession (2020)

 Voters have also authorized smaller issuances for specific projects such as the Justice Center, Denver Art Museum, Central Branch Library, etc.

# **Economic Recovery: Infrastructure's Role**

- 6,900 construction jobs lost regionally due to the pandemic
- Infrastructure projects:
  - Drive job creation, stems high unemployment
  - Offset losses in other sectors
- Every \$10 million spent on construction results in:

**130 Jobs** 

**\$8.5 million** in labor income

**PROBLEM SOLVERS** 

Denver one of worst cities for construction job loss, association says

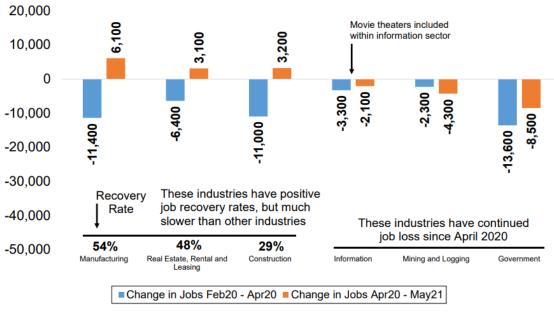

\$20 million in economic output

## Colorado Industry Sectors with Relatively Low Recovery Rates or with Continued Losses in Payroll Jobs

#### 2020-2025 CIP Six-Year Plan Process

 $\underline{\text{https://www.denvergov.org/Government/Departments/Department-of-Finance/Our-Divisions/Capital-Planning-and-Programming/6-Year-CIP}$ 

## **History of Public Input Received**

#### 2016

- Over 3,000 comments received during the public engagement phase of Elevate Denver Bond (online survey, comment cards, email)
- Over half the comments received were related to mobility projects

#### 2017

 Public testimony at committee meetings, emails, and written letters for Elevate Denver Bond (over 1,000 comments received)

#### 2019

- 1,000 new comments received during update of the Six-Year CIP Plan
- Major themes included citywide sidewalks, bike lanes, outdoor pools, dog parks, recreation center upgrades, shelter facilities

Neighborhood Plans, Community Meetings, Denveright, City Council

#### **2021 GO Bond Planning Process (April - August)**

 Drafting and submittal of recovery project proposals from departments, external partners, and City Council

**April** 

Project Development Phase

#### May

Project Evaluation and Public Feedback Phase

- Internal technical and citywide benefit evaluation of project submittals by city staff.
- RISE community engagement process (surveys, telephone townhalls, etc.)

 GO Bond Executive Committee Process

Bond Package Development

Denver City Council process for referral to November 2021 Ballot (July/August)

## **Recovery Investments Planning Process**

Previous community engagement through Elevate Denver Bond and the 2020 Six-Year Capital Improvement Plan update

#### **Project Development Phase (April)**

- Elevate Beyond 2020-2025 (Six Year Capital Improvement Plan)
- Departmental project priorities
- City-owned partner institutions and Denver Health
- Housing and shelters
- Initial City Council project priorities

#### Project Evaluation and Public Feedback Phase (May-July)

- Eligibility review
- Internal citywide value and technical project evaluation
- RISE Denver community engagement process
- GO Bond external Executive Committee review of project list
- City Council project priorities

American Jobs Plan (Infrastructure Bill) programming (TBD - Late Summer/Fall)

# Project Evaluation and Public Feedback

#### **Transportation** and Mobility Parks and Water and Recreation Environment **Project Portfolio Categories Facilities** City Cultural Health Housing and Sheltering

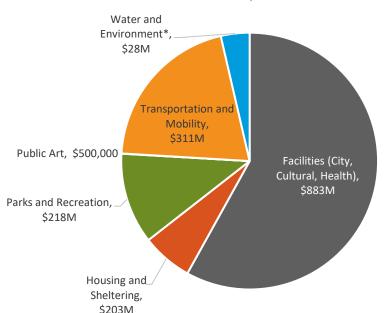

#### **Recovery Capital Project Requests**

- The 2020-2025 Six-Year Capital Improvement Plan served as the foundation for recovery capital project requests in addition to unfunded cultural/partner institution capital needs.
- Over 130 projects totaling approximately \$1.7B were submitted by city departments, City Council, and cultural/partner institutions for consideration for all recovery funding sources.
- Projects were categorized into "portfolios"

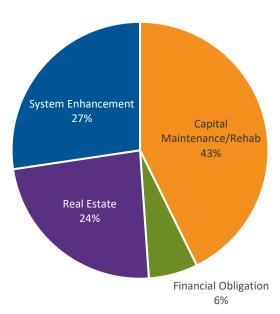

## **Recovery Investment Submittals\***

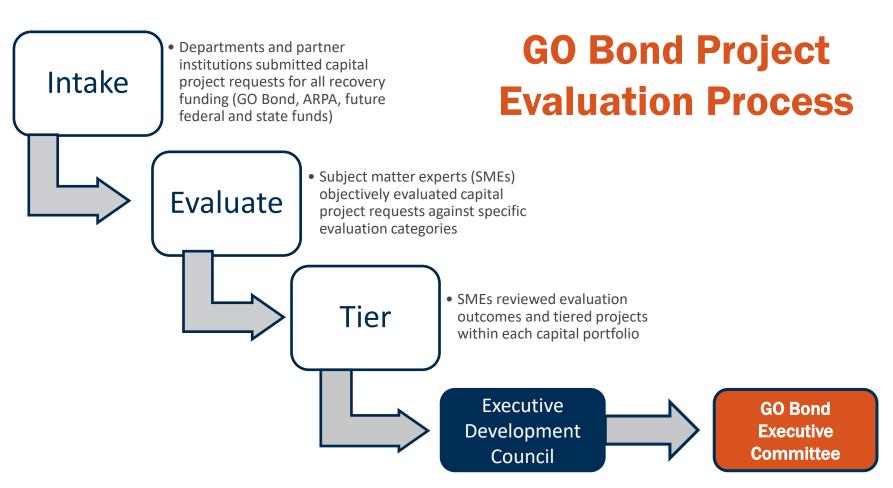

Amount by Project Type

\*Project types removed for consideration for GO bond funding.

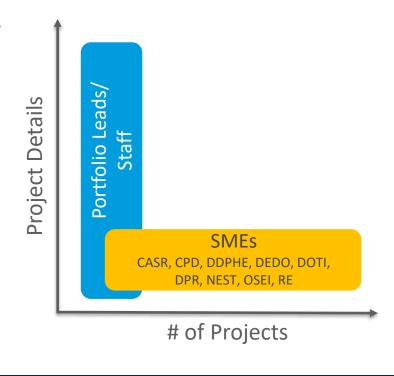

134 project proposals totaling \$1.7B

#### **Evaluation Structure**

- 5 portfolio leads and over 100 staff involved in the development of capital project requests
  - Depth of project knowledge for a subset of projects.
- Subject matter experts across 10+ agencies/departments participated in evaluation
  - Reviewed certain project details across all projects.

## **Evaluation Categories**

**Citywide Values** 

Equity x2 (OSEI/NEST/CPD)

City Vision Alignment (CPD/DOF)

Economic Impact (DEDO)

Safety & Accessibility (DOTI/DPR)

**Technical Merit** 

Readiness x2 (DOTI/DPR/RE)

Risk (DOTI/DDPHE)

Financial Planning (DOF)

Scored using 0-3 scale

FINAL PROJECT DECISIONS

#### **Equity Considerations for Project Intake/Evaluation**

#### **Overall City's Budget Equity Framework**

#### **Capital Project Equity Framework**

## Planning (Citywide)

- Neighborhood of Project
  - Access to Opportunity
  - -Racial Equity/NEST
- •Who are the populations served by this project?
  - -Older Adults/Youth
  - BIPOC/historically-marginalized
  - People with disabilities
  - -City Employees

## Programming (Department)

- How did the departmental/ racial equity lens influence project prioritization?
- What community engagement process has/will be undertaken?

## Implementation (Department)

- What are the potential impacts to residents and businesses?
  - How will the project mitigate these impacts?
- Cumulative effect of multiple projects in area

#### Readiness Considerations for Project Intake/Evaluation

- Consideration of clear scope of work, including level of design development; community input underway, identification of if/what land acquisition is needed
- Description of the level of project preplanning
- Able to articulate feasible schedule
- Provides accurate costing and cash flow information

#### **Observations**

- Top tier projects strongly performed in all evaluation categories, achieving a balance across Equity, Economic Impact, and Readiness.
- Projects in the second tier performed well in a few evaluation categories, notably Safety/Accessibility and Economic Impact.
- Majority of the remaining, tier three projects were deferred maintenance in nature or had an undefined location, which affected performance in several evaluation categories.

## **Staff Evaluation Summary**

- Prioritization of the capital projects based on alignment with citywide goals/values, specifically race and social justice initiatives, identified in the Comprehensive Plan 2040 to ensure that the capital investments support the vision for Denver's future.
- Similar to approach in the 2020-2025 Six-Year Plan projects were placed in tiers based on outcome of objective evaluation against citywide values and technical merit.
- Additional considerations of public, City Council, agency priorities as well as active or phased project delivery, were captured for subsequent phases in the capital planning process.

## **RISE Denver Community Engagement**

**Infrastructure Feedback** 

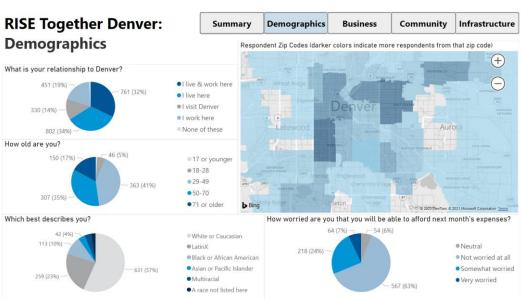

#### **RISE Together Denver**

#### **Approach:**

- Website with polling and educational materials
- Four <u>telephone townhalls</u> with 120k dial-outs and text messages in historically marginalized neighborhoods. Townhalls simulcast in English, Spanish, Vietnamese, and Amharic

#### **Turnout:**

- <u>9,800</u> completed surveys or comments
- 6,200 participants over the phone or online

View the dashboard at www.RISEtogetherdenver.org

## **Infrastructure Survey: Top Priorities**

of participants said

transportation and mobility were their top priority for infrastructure categories

**90%** of participants said

fixing or improving assets was most important

Local and regional improvements

#### **Public Comments**

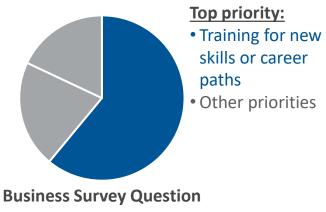

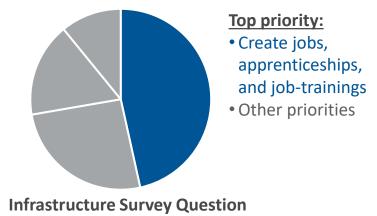

### **Key takeaways across all recovery areas:**

#### Training and skill development opportunities are a top priority

When it comes to workforce development and jobseeker supports, what do you think the city should prioritize?

Infrastructure can have a variety of economic benefits. What should the city prioritize?

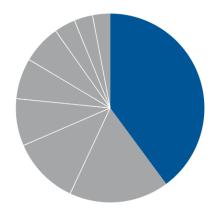

### Key takeaways across all recovery areas:

#### Affordable housing is a top priority

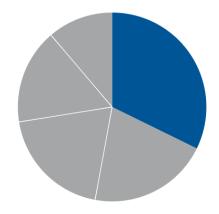

When it comes to community support what matters most to you?

How should the city prioritize community needs to create an economy that works for everyone?

#### **Top Priority:**

- Housing and support for people experiencing homelessness
- Other priorities

#### **Top Priority:**

- More support to pay for housing needs
- Other priorities

**Community Survey Question** 

**Business Survey Question** 

# City Council Capital Priorities

#### **Transportation**

- Neighborhood safety/pedestrian
- Bikes and sidewalks
- Traffic signals
- Morrison Road
- Santa Fe Streetscape
- Alameda Underpass
- Peoria Multimodal
- 5280 Trail
- Harvard Gulch connectivity

#### **Facilities**

- Libraries: Westwood, Hampden, Globeville
- Loretto Theater
- Restrooms
- Youth Empowerment Centers
- Safety Training Academy
- Community spaces

#### Parks

- Outdoor recreation (courts/fields)
- Playground replacements
- University Hills New Park
- Park Master Plan implementations
- 56<sup>th</sup> and Ireland Park

### **2021 GO Bond Executive Committee**

## **GO Bond Project Eligibility**

- Bonds constitute a formal agreement to pay between borrower (City) and lender (investors)
- Municipal bonds are generally issued as tax-exempt bonds, which are subject to IRS rules and regulations
- Authorized debt should be issued within a period of 10 years after authorization is received
- Once debt is issued, funds should be spent in 3 years
- Funds must be spent on eligible (capital) expenditures
  - Cannot fund operations
  - Cannot benefit private interests
  - Useful life of asset must align with term of financing and City must own asset

#### **2021 GO Bond Executive Committee**

- Comprised of 10 community members including City Council President and City Council President Pro tem
  - Committee volunteers were from a diverse range of backgrounds and had a proven history of community leadership in Denver
- The Bond Executive Committee has reviewed and prioritized a list of 130+ projects totaling \$1.7B over the course of six meetings
  - List considers community, City Council, and agency input
  - Committee received additional information on estimated jobs/wages by project
- BEC referred a prioritized tiered list of projects to city staff for scaling/phasing
- Mayor and Council leadership will review and advise on proposed list

## **Guiding Principles**

- <u>Equity</u> Does the proposed package include projects that increase equitable access to infrastructure and serve historically marginalized communities/populations?
- <u>Community Engagement</u> Does the overall proposed package incorporate public input and feedback received through the RISE Denver community engagement process via surveys, email, telephone town halls, and/or communication made directly to the committee or from City Council?
- <u>Project Readiness and Feasibility</u> Does the project package include projects that are feasible, defined, and ready to be implemented with manageable risk within a five-year timeframe? Does the overall proposed package provide the opportunity to scale and/or phase projects with independent utility\*?

<sup>\*</sup>The definition of independent utility is a single and complete project/phase requiring no additional funding sources to finish.

## **Guiding Principles Continued**

- <u>Economic Impact</u> Does the proposed package present an opportunity to generate sustained economic activity, provide jobs, and make Denver more attractive to best support our economic recovery?
- <u>Safety and Accessibility</u> Does the proposed package include projects that support safety and accessibility, including addressing life-safety infrastructure, asset condition, and/or ADA?
- Resiliency and Health Does the proposed package directly contribute to achieving the City's climate and public health goals by reducing greenhouse gas emissions, improving air/water quality, and/or supports active sustainable transportation options?
- <u>Leveraging Opportunities</u> Does the proposed package include projects that help further a previous investment, leverages secured other funding, generates revenue, or are proven to be a lost opportunity if project is not approved?

Bond Executive
Committee
Referred
Projects to City
Staff

### **Next Steps**

- City staff review of phasing and scaling opportunities for referred projects to inform Mayor and City Council leadership review and advisement of proposed list.
- July August 2017: Legislative Process
  - July 15: Budget and Policy Committee Meeting Informational presentation on bond process and Bond Executive Committee referred list of projects to city staff.
  - July 27: City Council Finance and Governance Committee
  - August 3: City Council Finance and Governance Committee continued
  - August 10: Mayor Council
  - August 16: City Council 1st Reading
  - August 23: City Council 2nd Reading (referral to ballot)
- August November 2021: Ballot Campaign and Vote
- If approved by voters: Spring 2022 First debt issuance for bond (City Council approval required)
