**A BILL**

**For an ordinance modifying Article XII (Retirement) of chapter 18 of the Denver Revised Municipal Code to amend the 1963 Retirement Plan with regard to the Deferred Retirement Option Plan and amended Deferred Retirement Option Plan.**

**WHEREAS**, pursuant to Section 18-405(g) of the Revised Municipal Code of the City and County of Denver (code), the Retirement Board is responsible for making recommendations to the city for amendments to the plan when in the judgment of the Retirement Board such changes are necessary; provided that such recommendations are accompanied by a report of the plan's actuary setting forth the effect of such amendments; and,

**WHEREAS**, Section 18-424 of the code established the Deferred Retirement Option Plan (DROP) as part of the Denver Employees Retirement Plan (DERP); and

**WHEREAS**, DROP became closed to new participants on April 30, 2003; and

**WHEREAS**, Section 18-430.2 of the code established an amended Deferred Retirement Option Plan (DROP II), which closed to new participants on September 1, 2003; and

**WHEREAS**, since DROP and DROP II were closed, the market rate of interest on risk-free investments has decreased considerably; and

**WHEREAS**, due to the changes in financial markets, the time that has elapsed since the closing of DROP and DROP II, and the ongoing costs of these programs, it is the Retirement Board's recommendation that the prospective interest rate credited to DROP and DROP II accounts be modified to reflect the changes in market rates for similar risk-free investments;
