

AGREEMENT

THIS AGREEMENT is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”), and the **UNIVERSITY SYSTEM OF NEW HAMPSHIRE**, a New Hampshire 501c(3) non-profit institution of higher education, whose address is 5 Chenell, Suite 301, Concord, NH 03301 (the “Contractor”), jointly “the Parties” and individually a “Party.”

WHEREAS, the City awarded this Agreement to the Contractor as the result of a sole source selection to provide training and consultation on the development of a START clinical team in Denver for the Department of Human Services and the local START provider to implement a Denver-based START program (the “Agreement”).

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties incorporate the recitals set forth above and agree as follows:

1. **COORDINATION AND LIAISON**: The Contractor shall fully coordinate all services under the Agreement with the Executive Director (“Director”) of the Department of Human Services (“Agency” or “DHS”) or the Director’s designee.
2. **SERVICES TO BE PERFORMED**: As the Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth in **Exhibit A**, Scope of Work, to the City’s satisfaction. The Contractor is ready, willing, and able to provide the services required by this Agreement. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.
3. **TERM**: The Agreement will commence on September 1, 2021, and will expire, unless sooner terminated, on August 31, 2024 (the “Term”). Subject to the Director’s prior written authorization, the Contractor shall complete any work in progress as of the expiration date and the Term will extend until the work is completed or earlier terminated by the Director.
4. **COMPENSATION AND PAYMENT**
 - 4.1. **Budget**: The City shall pay, and the Contractor shall accept as the sole compensation for services rendered and costs incurred and paid under the Agreement payment not to exceed the line budget amounts set forth in **Exhibit A**.
 - 4.2. **Reimbursable Expenses**: Reimbursable expenses are allowable as provided in **Exhibit A**. The City will not be obligated to pay the Contractor for any other fees, costs, expenses, or charges of any nature, not included in **Exhibit A**, that may be incurred and paid by the Contractor in performing services under this Agreement including, but not limited to, personnel, benefits, contract labor, overhead, administrative costs, operating costs, supplies, equipment, and out-of-pocket expenses.
 - 4.3. **Invoicing**: The Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City. Invoices shall be accompanied by documentation of expenses for which reimbursement is sought as well as other supporting documentation required by the City. The City’s Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing

and payment under this Agreement. Funds will be disbursed in appropriate monthly increments, upon receipt and approval of the Contractor's monthly invoices and any City required budget documents or reports. The Contractor's invoices will include all appropriate supporting documentation that may be pertinent to the services performed or expenses incurred and paid under this Agreement. The Contractor's invoices must identify costs and expenses incurred and paid in accordance with the budget contained in **Exhibit A**. Funds payable by the City hereunder shall be distributed to the Contractor on a reimbursement basis only for work performed and expenses incurred and paid during the prior month. Invoices submitted for payment must be received by the Agency as detailed in the attached **Exhibit A** or as directed. Invoices submitted for services rendered that are submitted after such deadline are untimely and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission. If applicable, timesheets must reflect the amount of time, in hours and quarter-hours, attributable to each activity performed under this Agreement, and if the Contractor allocates allowable costs to more than one grant, project, or contract, then timesheets must further identify the allocation of allowable costs for each grant, project, or contract.

4.4. Maximum Contract Amount

4.4.1. Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed Five Hundred Ninety-Nine Thousand Seventy-Two Dollars (\$599,072.00) (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** or performed outside the Term are performed at the Contractor's risk and without authorization under the Agreement.

4.4.2. The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

4.4.3. If, as a result of any audit or program review relating to the performance of the Contractor or its officers, agents, subcontractors, subrecipients, or employees under this Agreement, there are any irregularities or deficiencies in any audit or review, then the Contractor will, upon notice from the City, correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes shall be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible official conducting the audit or review. In any event, the Contractor shall be responsible to indemnify and save harmless the City, its officers, agents, and employees, from and against all disallowed costs or expenditures.

4.5. Budget Modifications: Budget line items may only be modified in accordance with Budget Modification Policy No. 1703-495, as amended. Notwithstanding the preceding sentence, each

modification to **Exhibit A** shall not take effect until approved in writing in accordance with Budget Modification Policy No. 1703-495, and any modification to **Exhibit A** that requires an increase in the Maximum Contract Amount shall be evidenced by a written amendment prepared and executed by both Parties in the same manner as this Agreement.

4.6. Mill Levy Funding Restrictions: This Agreement is funded with mill levy dollars pursuant to § 53-550, D.R.M.C., the Developmental Disabilities Mill Levy, as amended. Mill levy dollars are dedicated to provide services and supports for persons with intellectual and developmental disabilities, children up to age five with developmental delays, and persons seeking a developmental disability or delay determination. For all funds provided by the City and all services supplied under this Agreement, the Contractor shall comply with the residency requirements in § 53-550(d), D.R.M.C., and all indirect costs that may be paid by the City pursuant to this Agreement shall not exceed the limit set in § 53-550, D.R.M.C. Notwithstanding anything to the contrary set forth herein, any provision or budgeted line item within this Agreement or its exhibits that conflict or are contrary to the provisions of § 53-550, D.R.M.C., as amended, shall be *void ab initio*.

5. REPORTS/CORRESPONDENCE

- 5.1. Reports and Closeout Procedures:** The Contractor shall provide the Agency with the reports described in **Exhibit A** in such a format as may be designated by the City. Such reports may be submitted electronically by disk or e-mail, followed by hard copy transmittal. In addition, the Contractor shall comply with all contract closeout procedures directed by the Director to be performed under this Agreement for final reimbursement, including but not limited to final review of payments, invoices, referrals, and required reporting documents, including close-out signature.
- 5.2. Correspondence:** All reports and other written correspondence concerning procedural or administrative contract matters (other than the notices required to be provided to the Director and others as described below in NOTICES) shall be delivered electronically to DHS_Contracting_Services@denvergov.org, or by U.S. Mail to:

Attn: Contracting Services

Invoices shall be delivered electronically to DHS_Contractor_Invoices@denvergov.org or by U.S. Mail to:

Attn: Financial Services
Denver Department of Human Services
1200 Federal Boulevard
Denver, Colorado 80204

- 6. PERFORMANCE MONITORING/INSPECTION:** The Contractor shall permit the Director to monitor and review the Contractor's performance under this Agreement. The Contractor shall make available to the City for inspection all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hard copy or electronic format, used in the performance of any of the services required hereunder or relating to any matter

covered by this Agreement to coordinate the performance of services by the Contractor in accordance with the terms of this Agreement. All such monitoring and inspection shall be performed in a manner that will not unduly interfere with the services to be provided under this Agreement.

7. **STATUS OF CONTRACTOR:** The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

8. **TERMINATION**

8.1. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and either Party may terminate without cause upon thirty (30) days prior written notice. The City will provide notice if the services become unsatisfactory, and nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Director.

8.2. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

8.3. The City is entering into this Agreement to serve the public interest. If this Agreement ceases to further the City's public interest, the City, in its sole discretion, may terminate this Agreement, in whole or in part, for convenience by giving written notice to the Contractor.

8.4. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement up until the effective date of termination.

8.5. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools, and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver copies of all documents in any form that were prepared under the Agreement and copies of all other items, materials, and documents that have been paid for by the City to the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE."

9. **EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations.

When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

10. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

11. INSURANCE

11.1. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices Section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices Section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

11.2. Proof of Insurance: The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit B**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk

Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

- 11.3. **Additional Insureds**: For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees, and volunteers as additional insured.
- 11.4. **Waiver of Subrogation**: For all coverages required under this Agreement, with the exception of Professional Liability – if required, the Contractor's insurer shall waive subrogation rights against the City.
- 11.5. **Subcontractors and Subconsultants**: The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.
- 11.6. **Workers' Compensation and Employer's Liability Insurance**: The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.
- 11.7. **Commercial General Liability**: The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Policy shall not contain an exclusion for sexual abuse, molestation, or misconduct.
- 11.8. **Automobile Liability**: The Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired, and non-owned vehicles used in performing services under this Agreement.

12. DEFENSE AND INDEMNIFICATION

- 12.1. The Contractor agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.
- 12.2. The Contractor's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. The Contractor's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

12.3. The Contractor shall defend any and all Claims which may be brought or threatened against City and shall pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City will be in addition to any other legal remedies available to City and will not be the City's exclusive remedy.

12.4. Insurance coverage requirements specified in this Agreement in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor is responsible to obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

12.5. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

13. COLORADO GOVERNMENTAL IMMUNITY ACT: In relation to the Agreement, the City is relying upon and has not waived the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*

14. TAXES, CHARGES AND PENALTIES: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts, and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment, or execution to be filed against City property.

15. ASSIGNMENT; SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor, or assign.

16. INUREMENT: The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

17. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

18. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

19. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

20. CONFLICT OF INTEREST

20.1. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. § 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

20.2. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

22. NO EMPLOYMENT OF A WORKER WITHOUT AUTHORIZATION TO PERFORM WORK UNDER THE AGREEMENT

22.1. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the “Certification Ordinance”).

22.2. The Contractor certifies that:

22.2.1. At the time of its execution of this Agreement, it does not knowingly employ or contract with a worker without authorization who will perform work under this Agreement, nor will it knowingly employ or contract with a worker without authorization to perform work under this agreement in the future.

22.2.2. It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., and confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

22.2.3. It will not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with a worker without authorization to perform work under the Agreement.

22.2.4. It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

22.2.5. If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during the three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.

22.2.6. It will comply with a reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

22.3. The Contractor is liable for any violations as provided in the Certification Ordinance. If the Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion

of the City, constitute grounds for disqualifying the Contractor from submitting bids or proposals for future contracts with the City.

- 23. DISPUTES:** All disputes between the City and the Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.
- 24. GOVERNING LAW; VENUE:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).
- 25. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.
- 26. COMPLIANCE WITH ALL LAWS:** The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver. These laws, regulations, and other authorities are incorporated by reference herein to the extent that they are applicable and required by law to be so incorporated.
- 27. STATUTES, REGULATIONS, AND OTHER AUTHORITY:** Reference to any statute, rule, regulation, policy, executive order, or other authority means such authority as amended, modified, codified, replaced, or reenacted, in whole or in part, and in effect, including rules and regulations promulgated thereunder, and reference to any section or other provision of any authority means that provision of such authority in effect and constituting the substantive amendment, modification, codification, replacement, or reenactment of such section or other provision, in each case except to the extent that this would increase or alter the Parties respective liabilities under this Agreement. It shall be the Contractor's responsibility to determine which laws, rules, and regulations apply to the services rendered under this Agreement and to maintain its compliance therewith.
- 28. LEGAL AUTHORITY:** The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate, and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute the Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing the Agreement to enter into the Agreement.

- 29. LICENSES, PERMITS, AND OTHER AUTHORIZATIONS:** The Contractor shall secure, prior to the Term, and shall maintain, at its sole expense, all licenses, certifications, permits, and other authorizations required to perform its obligations under this Agreement. This Section is a material part of this Agreement.
- 30. PROHIBITED TERMS:** Any term or condition that requires the City to indemnify or hold the Contractor harmless; requires the City to agree to binding arbitration; requires the City to obtain certain insurance coverage; limits the Contractor's liability for damages resulting from death, bodily injury, or damage to tangible property; or that conflicts with this provision in any way shall be *void ab initio*. Any agreement containing a prohibited term shall otherwise be enforceable as if it did not contain such term or condition, and all agreements entered into by the City, except for certain intergovernmental agreements, shall be governed by Colorado law notwithstanding any term or condition to the contrary.
- 31. DEBARMENT AND SUSPENSION:** The Contractor acknowledges that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Agreement by any federal agency or by any department, agency, or political subdivision of the State of Colorado. The Contractor shall immediately notify the City if any subcontractor becomes debarred or suspended, and shall, at the City's request, take all steps required to terminate its contractual relationship with the subcontractor for work to be performed under this Agreement.
- 32. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any Party merely because any provisions of the Agreement were prepared by a particular Party.
- 33. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls.
- 34. INTELLECTUAL PROPERTY RIGHTS:** The City and the Contractor agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of the City made available, directly or indirectly, by the City to the Contractor as part of this Agreement, are the exclusive property of the City or the third parties from whom the City has secured the rights to use such product. The City and the Contractor agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of the Contractor made available, directly or indirectly, by the Contractor to the City as part of the Scope of Work, are the exclusive property of the Contractor or the third parties from whom the Contractor has secured the rights to use such product. The Contractor's materials, processes, methods and services shall at all times remain the property of the Contractor; however, the Contractor hereby grants to the City a nonexclusive, royalty free, perpetual and irrevocable license to use the Contractor's materials. The Contractor shall mark or identify all such materials to the City. No derivative work of any of the Contractor's materials is to be made without explicit written permission from the Contractor.
- 35. SURVIVAL OF CERTAIN PROVISIONS:** The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance

beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

36. ADVERTISING AND PUBLIC DISCLOSURE: The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Director.
