

**LICENSE AGREEMENT**  
**(Alameda 25 “Triangle Parcel” Water Quality Facility)**

**THIS LICENSE AGREEMENT** (“Agreement”) is entered into, as of the Effective Date, by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation and home rule city of the State of Colorado (“City”) and the **COLORADO DEPARTMENT OF TRANSPORTATION**, a division of the State of Colorado (“Licensee”), collectively, “the Parties.”

1. Agreement. Upon the Commencement Date (defined below), the City grants a revocable and non-exclusive license (“License”) to Licensee for use in conjunction with Licensee’s design and construction of transportation improvements including, but not limited to, pathways, storm sewer, and a water quality detention facility on a portion of land shaped like a triangle and bordered by West Alameda Avenue, South Platte River Road and South Lipan Street (“Project”). The License area is legally described and depicted on **Exhibit A** attached hereto and incorporated herein by this reference (“License Area”).

2. Retained Rights of City. The City retains the right of possession and the rights of use, occupancy, and control of the License Area, but such use, occupancy and control shall not unreasonably interfere with the exercise of the License as granted and conditioned in this Agreement.

3. Use and Condition of License Area. The City grants the Licensee (i) access, (ii) construction work areas/work sites, (iii) storage of materials and equipment and (iv) construction of facilities, on, over and across the following License Area in furtherance of the Project. Together with full right and authority to Licensee, its successors, assigns, licensees and its and their contractors, agents, employees and invitees, to enter upon the License Area with machinery, trucks, materials, tools and other equipment which may be useful or required in the construction, alteration, maintenance or repair by Licensee of utility improvements, located or to be located, on real property owned by Licensee, or on property that is subject to an easement for the benefit of Licensee. As a condition of the License, Licensee shall be responsible for all damage caused to the License Area by Licensee that is not the result of normal wear and tear. The License Area shall be in its “as is” condition as of the date of the commencement of the License. The City shall have no obligation to maintain, repair or replace the License Area or any appurtenances thereto. Upon expiration of the Term (hereinafter defined) or earlier revocation by the City pursuant to Section 6 of this Agreement, the City will have an option to cause Licensee and its contractors to return the License Area to the condition existing as of the Commencement Date (hereinafter defined) free from all construction debris and in a condition as nearly as practicable to its original condition, taking into consideration the nature of the work being performed.

4. Term. This Agreement shall commence as of the Effective Date (the “Commencement Date”) and shall end three (3) years from the Effective Date. The City’s Director of the Division of Real Estate (“Director”) is authorized to extend the term of this Agreement.

5. Improvements. Licensee or its contractors may construct certain improvements in the License Area if such improvements have been approved by the City’s Executive Director of the Department of Transportation & Infrastructure.

6. Revocation & Termination. The City has the right to revoke the License, and terminate this Agreement, for a violation of the terms, conditions, warranties and covenants of this Agreement by Licensee that remains uncured thirty (30) days after written notice of such violation is delivered by the City to Licensee.

7. Costs & Fees. The fee for exercise of the License herein granted and other rights and obligations under this Agreement shall be Ten Dollars and 00/100 (\$10.00), payable concurrently with the execution of this Agreement by Licensee.

8. Permits & Compliance. The Licensee shall comply with all applicable laws, rules, regulations, and requirements relating to the License. The Licensee shall provide copies of any use permits upon the request of the Director. Nothing in this Agreement shall relieve Licensee from complying with other regulatory requirements applicable to the License.

9. Damage to City Property. Any real or personal property of the City damaged or destroyed by the Licensee that is not a result of normal wear and tear shall be promptly repaired or replaced by Licensee to the satisfaction of the Director. For failure or refusal by the Licensee to comply with this paragraph, the City shall have the right to seek recovery of actual damages, costs, expenses, and reasonable attorneys' fees from the Licensee by any means available under the law.

10. Third Party Contracts. The Licensee has no authority to bind the City on any contractual matters. The City shall have no liability or financial obligation to or for any contractor, subcontractor, supplier, or other person or entity with which the Licensee contracts or has a contractual arrangement with respect to the License or other aspects of this Agreement.

11. Insurance. At all times during the term of this Agreement, including any renewals or extensions, Licensee shall maintain such insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et. seq ("CGIA"). This obligation shall survive the termination of this Agreement. Licensee shall require its contractors performing work in the License Area to obtain insurance appropriate for the work being performed on a public project. For Commercial General Liability, the Licensee's contractors shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

12. Indemnification. Licensee shall cause its contractors to release, indemnify and save harmless the City, its officers, agents, and employees from and against any and all loss of or damage to property, or injuries to or death of any person or persons, including property and employees or agents of the City, and shall defend, indemnify, and save harmless the City, its officers, agents, and employees from any and all claims, damages, suits, costs, expenses, liability, actions, penalties, or proceedings of any kind or nature, including without limitations worker's compensation claims, of or by anyone, which with respect to any of the foregoing in any way results, from, or arises out of, directly or indirectly, Licensee's use or occupancy of any portion of the License Area.

13. Damage or Injury. The City shall not be responsible or liable for injuries to persons or damage to property when such injuries or damage are caused by or result from the Licensee's use of the License Area under this Agreement and are not due to the actions or omissions of the City's officers, agents or employees. It is expressly understood and agreed that the City is relying upon, and has not waived, the monetary limitations (presently \$350,000 per person, \$990,000 per occurrence) and all other rights, immunities and protection provided by the CGIA.
