5. General description or background of proposed request. Attach executive summary if more space needed:

This request is to enter a new On-Call professional services contract for the purpose of providing critical tank services on City and County of Denver owned petroleum and other regulated liquid storage tanks. The purpose of the Storage Tank program is to manage storage tanks in compliance with state and federal regulations and to minimize city environmental liability associated with aboveground and underground storage tanks. The DPHE-Environmental Quality Division coordinates, through its professional services contractor, for maintenance, repair, and testing of active city-owned storage tanks, installation of critical tank infrastructure projects, and removal of obsolete or failed storage tanks.

6. City Attorney assigned to this request (if applicable): Lindsay Carder

7. City Council District: All

8. **<u>For all contracts, fill out and submit accompanying Key Contract Terms worksheet**</u>
