**DOWNTOWN DENVER DEVELOPMENT AUTHORITY AGREEMENT:**

In 2008 the Downtown Denver Development Authority (“DDA”) and the District entered into the Agreement to set forth their intent to cooperate to assure that the Cherry Creek Subarea BID Incremental Property Tax Revenues are made available to the Cherry Creek Subarea BID for purposes of operating the Cherry Creek Subarea BID in accordance with its Organizational Ordinance and Operating Plan. Said Agreement states in part as follows:

“In consideration of the Cherry Creek Subarea BID providing future services within its boundaries, subject to annual budget and appropriations, the DDA agrees to remit or cause to be remitted to the Cherry Creek Subarea BID the Cherry Creek Subarea BID Incremental Property Tax Revenues on a monthly basis. The parties anticipate that, in accordance with a Resolution of the DDA instructing the City Treasurer to do so, the remittance to the Cherry Creek Subarea BID of the Cherry Creek Subarea BID Incremental Property Tax Revenues will be made directly to the Cherry Creek Subarea BID by the City Treasurer and that there will be no material change from the procedure by which the Cherry Creek Subarea BID has historically received Property Tax revenues. The DDA will use its best efforts to ensure that the DUS Plan and City/DDA Cooperation Agreement are not modified to affect or change, and the DDA shall not take any action which affects or changes, the payment of the Cherry Creek Subarea BID Incremental Property Tax Revenues directly to the Cherry Creek Subarea BID by the City Treasurer, or the amount thereof.

Every year in which the DDA collects the Cherry Creek BID Incremental Property Tax Revenues, the DDA shall cause its staff or consultants to include sufficient revenues to pay the Cherry Creek Subarea BID Incremental Property Tax Revenues to the Cherry Creek Subarea BID to be included in the proposed annual budget and appropriations resolutions or measures of the DDA for presentation to the DDA governing body. Nothing herein shall impair the power of the DDA governing body to modify or eliminate such budget and appropriations for any given year by resolution. Any amounts of the Cherry Creek Subarea BID Incremental Property Tax Revenues that are unpaid in any year shall be included in the DDA’s proposed annual budget and appropriations for possible payment in the subsequent fiscal year.”

Payments have been made as provided in the Agreement.
