A bill for an ordinance approving a proposed Second Amendment and Modification Agreement between the City and County of Denver and The Housing Authority of the City and County of Denver for the purpose of extending the duration to complete the GROW Market.

Revives and amends a loan agreement with The Housing Authority of the City and County of Denver by adding seven months for a new end date of 10-31-21 for the purpose of extending the duration to complete the GROW Market, which provides grocery accessibility as well as workforce training and development at 2800 West 10th Avenue in Council District 3 (OEDEV 202158449). The last regularly scheduled Council meeting within the 30-day review period is on 10-4-21. Councilmember Flynn approved direct filing this item on 9-9-21.

Affected Council District(s) or citywide? Council District 3

Contract Control Number: OEDEV 202158449

Vendor/Contractor Name (including any "DBA"): The Housing Authority of the City and County of Denver

Type and Scope of services to be performed:

This proposed contract provides a Community Development Block Grant (CDBG) loan for \$750,000 to the Denver Housing Authority to pay contractors other consultants to support the development and construction of a unique food market, called GROW Market. The project has been designed to provide the benefits of a quick, accessible grocer and basic foods store while also focusing on workforce training and development through DHA's workforce and community initiatives department in the Sun Valley neighborhood. The project meets HUD's national objective of providing benefits available to all residents of a particular area where at least 51% of residents are low and moderate-income persons.

The GROW Market is located within the first floor commercial space at Sun Valley's Phase 2 affordable housing development. Phase 2, or Gateway, is located at 10th & Decatur St. Decatur Street provides a direct connect to the light rail station to the north, and 10th Ave. will directly connect to a new riverfront park. Phase 2 is a highly visible corner and key gateway into Sun Valley.

The first contract amendment was necessary as the original contract dates for its execution could not be met due to circumstances beyond the city or contractor's control-namely, the COVID-19 pandemic. Happily, the project is completed now and a Certificate of Occupancy was just granted.

This second amendment allows adequate time for the invoicing and payment process to be

completed for work that was finalized after 3/31/21, establishing a new end date of October 31, 2121.
