Type and Scope of services to be performed:

The City and County of Denver Department of Transportation and Infrastructure ("the City") has identified the need to establish a group of qualified On-Call Prime General Contractors available to respond to proposal bidding requests for the execution of construction work for the City's infrastructure. The General Civil Construction On-Call contract will be utilized to construct a variety of improvements to the City and County of Denver's infrastructure typically within City Right-of-Way. These improvements may include, but are not limited to, works from any of the following scope categories:

1. Preconstruction services such as constructability, scheduling, independent cost estimates, and estimate reviews
2. Construction management services
3. Minor roadway construction including asphalt and concrete roadway paving, concrete sidewalk, curb, gutter, ADA ramps, excavation, grading, and utilities
4. Removals including pavement, pavement markings, hardscapes, sidewalks, and utilities
5. Safety improvements to include bike lanes (protection, signage, and striping), sidewalks, curb, gutter and accessible ramps, Vision Zero, and Safe Routes to School
6. Pavement Rehabilitation such as asphalt mill and overlay, or concrete removal and replacement
7. Installation, modification, or removal of traffic signals, lighting, ITS, and telecommunications facilities
8. Installation, modification or removal of signing and striping
9. Landscape improvements and ultra-urban green infrastructure element improvements
10. General storm sewer improvements including underground pipe installation including structures using open-cut or tunneling construction methods and associated utility work and surface restorations and finishing
11. Minor bridge work including removal, repair, maintenance, and replacement of bridge or pedestrian railings, drains, paint or coating, culverts, decks, walls, fences, and sound walls
12. Maintenance of traffic for establishing and maintaining safe work zones for construction workers and the general public including detours for auto, bicycle, and pedestrian traffic.
