**Vendor/Contractor Name (including any "DBA"):** Davey Resource Group, Inc.

**Type and Scope of services to be performed:**  
**Executive Summary available**

Davey Resource Group, Inc. will provide tree inventory services throughout the City and County of Denver to update the existing tree inventory in the City. The primary focus of the tree inventory is in the public rights-of-way and trees in medians and parkways. The tree inventory will become part of DPR's asset inventory, and the information will be incorporated into DPR's GIS database which operates through the ESRI software and TreeKeeper v.8. The goal of the inventory is to update the existing TreeKeeper inventory with any missing or removed trees as well as current species, location, condition and detailed size information for all existing public rights-of-way trees.
