Contract Control Number: OEDEV-201951285

Vendor/Contractor Name (including any "DBA"): Housing Authority of the City and County of Denver (Denver Housing Authority)

Type and Scope of services to be performed:

Sun Valley Gateway South will be a newly-constructed multifamily rental property located in Sun Valley. The property will provide 92 units of housing, with 27 units covered by an Annual Contributions Contract (ACC) restriction. The ACC program requires "break-even" rents of approximately \$450 on all units, regardless of bedroom size, of which tenants pay only 30% of their income. This level of deep affordability without subsidy requires the inclusion of 34 market-rate units. The city's loan of \$580,000 is leveraging multiple other sources, including state, federal, and private-sector funds, to cover the total development budget of \$28,549,536.
