Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The proposed ordinance allows for the incurrence of a Junior Lien Obligation pursuant to the Airport System General Junior Lien Bond Ordinance. This is an administrative task as the Junior Lien Obligation is for the Supplemental Payments payable by the Airport as contemplated in the Great Hall Development Agreement, which was approved by Council on August 14, 2017.

This ordinance is being submitted in conjunction with the General Junior Lien Bond Ordinance, which seeks approval to establish the Junior Lien and provisions and parameters for any Junior Lien Obligations.
