Executive Summary -WC Dahlia, LLC Lease

In 2021 City Council approved an Entrepreneurship Center as a part of ARPA Round 1 requests. Denver Economic Development and Opportunity has already been supporting community partners and trusted voices who are working in this area, but do not have the physical space.

4800 Dahlia Street houses the "Saltbox" co-working space. The property is owned by WC Dahlia, LLC. Founded in Atlanta in 2019 by minority entrepreneurs and with locations to date in six U.S. urban areas, Saltbox combines "human-centric" logistics, fulfillment, and warehousing operations for growing firms with an embedded co-working environment designed to meet the needs of a diverse and inclusive membership community of "new collar" e-commerce entrepreneurs.

This 5-year lease between the City and Saltbox will be for 7,543 square feet of space where entrepreneurs can meet and find resources to grow and scale their business. In addition to leasing the space, DEDO will also be funding programming that will occur inside the space and be designed to meet businesses "where they are" and then take them to the next level.

Saltbox at 4800 Dahlia Street will be convenient and welcoming to the grassroots entrepreneurs and early-growth-stage companies that the DEDO program seeks to serve. In addition, New Community Transformation Fund-Denver is an existing member of Saltbox and will deliver its Malone Fund management activities for this program from their Saltbox suite.
