Item Title & Description:

(Do not delete the following instructions)
*These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title should be in **bold** font).*

*Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.*

A bill for an ordinance making appropriations to the Wastewater

Management Enterprise Fund.

Appropriates \$1 million from the Urban Drainage and Flood Control District to fund the drainage and flood control improvements for the Sanderson Gulch - Lipan Street to South Platte River project in Council District 7. The Committee approved filing this bill by consent on 8-15-17.

Affected Council District(s) or citywide? Council District 7

Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The City and County of Denver has signed an amendment to an agreement with the Urban Drainage and Flood Control District (UDFCD) to jointly fund drainage and flood control improvements for the Sanderson Gulch - Lipan Street to South Platte River project. Estimated costs for these improvements are approximately \$10,000,000. UDFCD previously contributed \$800,000 towards this project. This ordinance request seeks to appropriate UDFCD's additional \$1,000,000 contribution into org 5061102, fund 72701, project PH725 for use towards the project. Fund 72701 was created to administer project contributions from UDFCD. An additional \$7,050,000 related to this project is being funded by the Community Development Block Grant-Disaster Recovery Program through the US Department of Housing and Development and the Hazard Mitigation Grant Program through the Federal Emergency Management Agency.
