Was this contractor selected by competitive process or sole source?

NO - Two Request for Proposals (RFPs) were released for this contract, but in both instances, there were no applicants. Because the need for these services is so great, DDPHE reached out to Servicios de la Raza to discuss the possibility of contracting with them for these services. Servicios de la Raza has a long history of providing linguistically specific and culturally appropriate care to the residents of Denver and DDPHE determined that they had the capacity to develop this type of program.
