Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment. Fund number 17602 was created to administer private grants when Economic Development programs were administered through the Mayor's Office instead of a standalone department. Since then, the Office of Economic Development was created, which was renamed Denver Economic Development and Opportunity. This bill request changes the name of the private grant fund to more accurately reflect the department that administers the grants.
