A resolution approving a proposed Purchase Order between the City and County of Denver and Zivaro, Inc. for the ProofPoint software

application supporting Technology Service.

Approves a purchase order with Zivaro, Inc. for \$589,619.23 and for one year for the subscription of the ProofPoint software application supporting Technology Services' email security protocols, citywide (PO-00097326). The last regularly scheduled Council meeting within the 30-day review period is on 4-12-21. The Committee approved filing this item at its meeting on 3-9-21.

Affected Council District(s) or citywide? Citywide

Contract Control Number: PO-00097326

Vendor/Contractor Name (including any "DBA"): Zivaro, Inc.

Type and Scope of services to be performed:

Technology Services originally conducted a solicitation through the Purchasing Dept. to purchase Proofpoint software licensing related to email security. Based off of this solicitation process, Zivaro's offer was determined to be within the best interests of the City. Zivaro is a certified Value Added Reseller (VAR) of Proofpoint software. Technology Services is seeking approval of a Purchase Order to Zivaro to continue the City's subscription to Proofpoint's Software as a Service (SaaS) Email Protection solution. Renewing this SaaS software is critical for the City's Enterprise email security. ProofPoint provides defense against email fraud tactics; targeted attack protection; digital asset security - encryption; analyzes internal email and blocks URL/attachment threats, spam, and viruses without impacting mail flow.

The Proofpoint software suite includes:

- Cloud Security Application Broker
- DMARC deployment - Up to 5 sending domains (and unlimited defensive registrations). Defense against all email fraud tactics used in an organization's email ecosystem.
- Enterprise licenses
- IMD Service - Analyzes internal email and blocks URL/attachment threats, spam, and viruses without impacting mail flow
- Platinum level support - Support includes vendor monitoring of the application as well as issue resolution assistance to ensure the application is functioning at its maximum performance.
- Targeted attack protection - URL and Attachment defense, TAP Dashboard, Threat Response Auto-Pull, Dynamic Reputation, Spam, Virus Protection, Zero-Hour Anti-Virus, Email Firewall, Impostor email, graymail filtering, smart search, basic DLP, Basic Encrypt
- Remote Syslog Forwarding
- Regulatory Compliance/Digital Asset Security/Encryption
- Data Discover

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts):

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment?

Was this contractor selected by competitive process or sole source?

Competitive process

For New contracts

Term of initial contract: one year

Options for Renewal:

How many renewals (i.e. up to 2 renewals)?

Term of any renewals (i.e. 1 year each):

Cost of initial contract term: \$589,619.23

Cost of any renewals:

Total contract value council is approving if all renewals exercised:

For Amendments/Renewals Extensions:

Is this a change to cost/pricing; length of term; terms unrelated to time or price (List all that apply)?

If length changing

What was the length of the term of the original contract?

What is the length of the extension/renewal?

What is the revised total term of the contract?

If cost changing

What was the original value of the entire contract prior to this proposed change?

What is the value of the proposed change?

What is the new/revised total value including change?

If terms changing

Describe the change and the reason for it (i.e. compliance with state law, different way of doing business etc.)
