**Type and Scope of services to be performed:**

**Project Description:**

The purpose of this contract agreement is to provide a Department of Housing Stability (HOST) amendment to add funding in the amount of \$3,037,326 for a total contract amount of \$8,811,044. These funds will be provided to The Colorado Coalition for the Homeless (CCH) for the Denver Street Outreach Collaborative (DSOC). CCH will deliver outreach and resource engagement, in collaboration with other service providers, to persons experiencing unsheltered homelessness in Denver. DSOC will utilize a model of street outreach that relies upon consistent, long-term, trusting relationships between outreach workers, a case manager, a licensed behavioral health care provider, Registered Nurse, and people, both adults and youths, experiencing unsheltered homelessness.

CCH will subcontract with St. Francis Center and Urban Peak to collaborate in providing services. The collaborative outreach offices are located at the CCH outreach office located at 2100 Broadway. St. Francis Center's outreach offices are located at 2314 N. Broadway. Urban Peak's outreach offices are located at 730 21st Street. Outreach will primarily occur in field locations in encampment or street settings. In addition to the internal collaboration between the contracted agencies, DSOC will coordinate efforts within the greater continuum of homeless service and outreach service providers, including City of Denver outreach teams, Mental Health Center of Denver, OneHome, and additional non-profit partners.

**SERVICES DESCRIPTION**

- A. CCH will coordinate the DSOC initiative. CCH will subcontract with agencies to perform the services outlined in this Scope of Work.
- B. DSOC provides outreach and engagement services, as well as intensive, housing focused case management services, to youth and adults experiencing homelessness in Denver with a focus on those who are chronically homeless, disconnected from facility-based programming, and in encampment settings. DSOC case management services include connecting clients to OneHome and helping to collect documents needed to complete housing applications.
- C. DSOC works to remove barriers to housing by including an RN and Licensed Behavioral Health Navigator to the outreach activities. These licensed health care providers enable vital services to be delivered where people are at: on the street or other places of engagement.
- D. Designated DSOC encampment response staff (comprising 13.25 FTE, 42% of total contracted staff) provide outreach to residents of City-identified encampments with deployment of staff and resources directed by the Department of Housing Stability; deployment directives include engaging residents of encampments that are posted for cleanup or public health closure. The

- DSOC encampment response staff provide initial and ongoing focused engagement, assessment and identification of service needs, case management, and referrals to services.
- E. DSOC will coordinate with the Department of Housing Stability for the coordination of care and provision of outreach and encampment response services to shared clients.
  - F. DSOC services will be provided Monday through Friday, from 7 A.M. to 5:30 P.M., and one Saturday each month, from 9 A.M. to 5:00 P.M. CCH agrees to provide HOST with an on-call number to be utilized to coordinate for an outreach response in emergency situations outside of regular business hours as defined above - but still within the hours of M-F 7AM - 9PM and Saturday-Sunday 8AM - 6PM. Days of operation may be extended during cold and other weather emergencies.
  - G. DSOC will develop a standard protocol to be activated during isolated weather emergencies.
  - H. DSOC will coordinate with HOST staff for provision of same-day services within City encampment response.
  - I. DSOC outreach workers will have visible ID and branded items such as lanyards, backpacks, or other similar gear, to easily identify outreach workers.
  - J. DSOC will respond to all requests for outreach service within two working days. DSOC shall retain discretion to suspend deployments to environments that have clear, present, and imminent safety risk. These risks, or any emergent incident that interferes with outreach deployment, shall be promptly communicated to HOST.
  - K. DSOC will develop a plan alongside HOST and the MDHI HMIS team to maintain quality data for DSOC programs in HMIS. Elements for consideration and review for the plan include, but are not limited to, use of HMIS outreach module, standard procedure for exiting clients in HMIS, and aggregate reporting of camp level data.
  - L. As local experts in the engagement of, and provision of services to, persons experiencing unsheltered homelessness, DSOC will assist City of Denver/HOST to improve understanding of needs, experiences, and solutions for this unique service population. This improved understanding relies upon DSOC’s ongoing, meaningful engagement through activities inclusive of, but not limited to, representation of persons with lived expertise in advisory and decision-making bodies, administering surveys, conducting interviews, and other initiatives as appropriate.
