Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This is one of three resolution requests to authorize three separate components of the Denver's 2019 mill levy for property taxes due in 2020: 1) City, 2) DPS, 3) and Special Districts (this request).

City Council is required to authorize all three components of Denver's 2019 mill levy before December 22. DPS and special districts have until December 15 to submit their mill levies to the City and County of Denver. Therefore, BMO plans to file the DPS and special district resolutions by title only on December 12. On Monday, December 16, when DPS and special districts' mill levies have been received, and prior to Council's Monday night committee meeting, BMO will update the title-only resolutions with DPS and special districts' finalized mill levies.
