Detailed description of the item and why we are doing it. This can be a separate attachment.

Charter Section ? 2.2.6 (D) requires consent of City Council for the Mayoral appointment of Charter officers. Following a vacancy in the Executive Director position at General Services, the Mayor's Office conducted a recruitment process, including interviewing potential candidates. Andrew Amador has been advanced as the Mayor's selection to lead General Services. The Charter department of General Services is responsible for major internal functions such as control of city purchasing/procurement including competitive bid best practices; central services such as city mailing and printing; oversight of municipal facilities, including building management and maintenance of 6,086,866 square feet of building space in 128 buildings; and implementing improved energy performance, reduced operational and utility costs, and enhanced occupant comfort for public buildings.

Andrew Amador has 20 years of architectural and project management experience managing complex projects and personnel. Working in both facility and project management with University of Denver and Denver Public Schools, Andrew has led work in facility modernization, bond implementation and process improvement, all with a community lens. As a former Commerce City Councilman, Andrew worked on a wide array of policy development including changes in city procurement and construction management policies and advancing organizational development strategies to improve employee culture, engagement and satisfaction.
