Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance creates additional language in the retail tobacco license section of the DRMC to provide an additional exemption from proximity restrictions for currently operating retail tobacco stores given they can provide evidence they were operating prior to the original deadline of January 1, 2021. Additionally, it allows for the first renewal fees for retail tobacco stores that received a license prior to July 1, 2020 to be waived.
