Executive Summary with Rationale and Impact:
Detailed description of the item and why we are doing it. This can be a separate attachment.
The Denver Department of Public Health and Environment (DDPHE) requests budget appropriation of $2,372,845 for the Ryan White Part A Program, a third-party pass-through grant from the Health Resources and Services Administration (HRSA) that will provide funds to Denver HIV Resources (DHR). Denver HIV Resources distributes these funds to clinics and other organizations that provide services for low-income people living with HIV (PLWH) across the Denver Metro Area. DDPHE is requesting to establish budget based off the letter of guidance from the funder which equates to 50 percent of the total forecasted award. The total award estimate is $4,745,690. Establishing budget will help expedite the annual contracting activities with the Ryan White Part A funded subrecipients.
