A resolution approving a proposed Third Amendatory Agreement between the City and County of Denver and Elevate One, LLC to add compensation and extend the term.

Contract Control Number: FINAN-202158969-03 / ALF FINAN-GE75003-03

Vendor/Contractor Name (including any "DBA"): Elevate One, LLC

Type and Scope of services to be performed:

Approval is requested to extend the lease with Elevate One, LLC for roof space, equipment space, and generator space.

The Third Amendment to Roof Antenna Agreement extends the term of the agreement for 15 years, from 2/1/2022 through 1/31/2037.

The rental rate is a market rate for roof and antenna space and the terms were approved by the City's radio frequency expert in Technology Services. The original lease started 2/2007 at \$900.00 per month; the new term starts 2/2022 at a rental rate of \$1,909.62 per month. Total rent for the first 15 years was \$268,773.60, and for the coming 15 years is \$426,503.52.

Reasons for the increase in dollar value are as follows:

1. Rent escalates yearly, and as it compounds the dollar amounts grow
 - a. For the first 15 years from 2007 to 2022, the annual growth rate is equivalent to 4.94% per year as equipment space was added during the term
 - b. For the new lease from 2022 to 2037, the annual growth rate is 3% per year
2. The new rental rate is a market rental rate for roof and antenna space
 - a. Rental rate reflects the amount of space leased in the building (equipment space in addition to just the antenna)
 - b. Negotiated by Real Estate
