Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The City and County of Denver has signed an agreement with the Urban Drainage and Flood Control District (UDFCD) to jointly fund drainage and flood control improvements for the Glenbrook Detention Basin. Estimated costs of these improvements are \$3,940,045 million plus an additional \$700,000 for contingency. UDFCD has agreed to contribute \$1.05M towards this project. The City has \$3.689 appropriated for this work in org 5061102, fund 72700, project PH725. This ordinance request seeks appropriation of UDFCD's share of project costs in org 5061102, fund 72701, project PH725. Fund 72701 was created to administer project contributions from UDFCD.
