Affected Council District(s) or citywide? Citywide

Contract Control Number: ENVHL-202262121

Vendor/Contractor Name (including any "DBA"): Colorado Non-profit Development Center, doing business as Harm Reduction Action Center

Type and Scope of services to be performed:

The contractor will provide the following services free of charge: sterile injection-related supplies, education on safer practices and wound care; sharps disposal and education on safe disposal practices; overdose prevention education and naloxone distribution; HIV/STIs/HCV testing; referrals to social support and healthcare services such as case management, substance use treatment, food banks, behavioral health services, primary care, HCV/HIV/STI treatment, hepatitis A and B vaccinations, pre-exposure prophylaxis, and wound care. The contractor will participate in contract monitoring activities, developing key performance indicators, submitting process data to monitor performance, and participating in contract monitoring and oversight activities.

Additional services may include education on legal rights under CRS 25-1-520 and 18-18- 428(1)(b) that encourages disclosure of possession of hypodermic syringes to first responders prior to a search; conducting syringe clean-up actions in and around neighbors where the facility is located; and participating in larger city-wide clean-up efforts.

Restated, services under this agreement include:

- Syringe and other sterile injection-related supplies
- Education on safer injection practices and vein care
- Syringe disposal and education on syringe disposal practices and locations
- Overdose prevention, education, recognition and response, and distribution of naloxone
- Evidence-based prevention interventions intended to keep individuals from acquiring and transmitting HIV, HCV, and sexually transmitted infections (STIs)
- HIV/STIs/HCV testing and sexual health resources
- Social support and healthcare referrals including: case management, substance use treatment, insurance navigation, food banks, behavioral health services, primary care, HCV/HIV/STI treatment, Hepatitis A and B vaccinations Pre-Exposure Prophylaxis, and wound care Additional services to be provided include:
- Outreach and education to Colorado Health Network (CHN) staff and external community partners
- Syringe clean-up actions in and around the neighboring community where the facility is located, as well as participate in clean-up efforts in the City as a part of a larger city[1]wide effort III.

This contract amendment is for the fourth year of a expenditure contract awarded via a competitive request for proposal (#28844Q) in 2019. The contract is supported by the Public Health and Wellness Special Revenue Fund and aligns with the *Opioid Response Strategic Plan: 2018-2023* to "address harms that may occur throughout the continuum of substance mis(use)". Specifically goal 3,

strategy B, calls for efforts to improve health outcomes among people who use drugs by expanding access to sterile injection equipment for people who inject drugs, which is accomplished at syringe access programs.
