**Affected Council District(s) or citywide?** Council District 11

**Contract Control Number:** 202055872

**Vendor/Contractor Name (including any "DBA"):** MBR Electric, Inc.

**Type and Scope of services to be performed:**

Perform electrical construction activities, which include facility and infrastructure projects throughout the main terminal, concourses, airfield, and surrounding areas. The types of projects could include, but are not limited to: medium voltage electrical work in the central utility plant, electric charging stations, emergency fuel shut-off system changes, gate expansion electrical system integration, electrical and data for office remodels, holdroom renovations to add power hubs, energy efficient lighting changes, tenant sub-metering projects, camera installations, small access control integration and power projects. The contractors may also be asked to develop preliminary cost and schedule documents during the design period. Construction and pre-construction services will be electrical in nature, either funded from O&M of various divisions at the airport or as part of a capital project. The total amount of this contract would be awarded to multiple general contractors, and projects will be incorporated into the contract through task orders.
