**A resolution approving a proposed Construction Change Order**

**between the City and County of Denver and Interlock Construction, Corp., to add additional funds and new end date to provide renovations to the Red Rocks First Aid Room.**

Amends a contract with Interlock Construction, Corp. by adding \$118,645 for a new total amount of \$548,990.15 and 27 days for a new end date of 05-16-17, for renovations to the Red Rocks First Aid Room for the purpose of better treating and responding to the emergency and safety needs of Red Rocks patrons (201629233). **Affected Council District(s) or citywide?**

**Contract Control Number:** 201629233

**Vendor/Contractor Name (including any "DBA"):** Interlock Construction, Corp.

**Type and Scope of services to be performed:** This resolution request is for approval of the first Change Order to the 201629233 Hard Bid Contract with Interlock Construction Corp. This project was contracted with the low bidder, Interlock Construction Corp., for the cost of \$430,345.15, beneath the council threshold of \$500,000. After the contract was processed it was discovered that most of the walls scheduled to be removed as part of the project were structural and load bearing, however the bid documents and the associated design reflected the walls as being non-structural, non-load bearing. Due to this unforeseen condition, the project had to be redesigned, adding more structural, architectural and MEP scope to the project. The redesign added \$118,645.00 in construction costs to the project bringing the construction value to \$548,990.15, exceeding the \$500,000 council threshold, and added an additional 27 days of construction to the contract. To carry out the purpose of the original design intent, which is to provide renovations to the Red Rocks First Aid Room for the purpose of better treating and responding to the emergency and safety needs of Red Rocks patrons, it is necessary to increase the contract value of this construction contract
