Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance request is to rescind and re-appropriate \$124,750 in the capital improvement fund from the Washington Park Restrooms project to complete the construction of the Washington Park playground. The Washington Park playground project is appropriated in the CIP and is currently over budget. The requested rescinded funding is needed to complete the playground and will be paired with over \$1M in appropriated funding in Parks to augment the appropriated construction budget. Washington Park is a regional park and has seen increased usage due to population increases in adjacent neighborhoods as well as city-wide. The existing playground is undersized and does not meet Parks Standards for a regional facility.
