**A resolution approving a proposed First Amendment between the City and County of Denver and ECCL 4:12 LLC d/b/a NextGen Parking, LLC, concerning the Parking Revenue Control System to support customer parking at Denver International Airport.**

Amends a contract with ECCL 4:12, LLC, doing business as NextGen Parking, LLC, by adding \$9,670,000 for a new total of \$10,112,000 and one year for a new end date of 8-31-2024 to continue providing the Parking Revenue Control System to support customer parking at Denver International Airport in Council District 11 (202157406/ 202264622). **Affected Council District(s) or citywide? 11**

**Contract Control Number:** 202264622/ 202157406

**Vendor/Contractor Name (including any "DBA"):** ECCL 4:12 LLC dba NextGen Parking LLC

**Type and Scope of services to be performed:** This request is for an amendment to the Parking and Ground Transportation Parking and Revenue Control System (PRCS) Maintenance and Support Services Agreement between ECCL 4:12 LLC dba NextGen Parking, LLC (NextGen) and Denver International Airport (DEN). In 2017, NextGen) was selected, through a competitive request for proposal (RFP) process, as the awarded vendor for the DEN PRCS replacement project. This project included providing hardware and software at parking entries and exits at DEN public and employee parking facilities. This new PRCS, which is currently going through the final installation, will allow DEN to track revenue and transaction processing. Additionally, the new system will enable DEN to remain compliant with Payment Card Industry Data Security Standard regulations via its Point-to Point Encryption (P2PE) credit card payment processing capability.

This amendment allows for on-site staffing coverage, preventive and remedial maintenance, software maintenance, system administration and technical support services for research and analysis for the PRCS as well as first response and best-efforts remedial maintenance for Parking Commercial Transportation Revenue Control System (PCTRCS), Level Count and Sign Control equipment and other services. Additionally, this amendment will incorporate P2PE payment services for credit card processing, spare equipment, software enhancements and/or system upgrades.

As an attachment to this amendment, additional scope will be added to the contract to facilitate the completion of various construction items de-scoped from Contract 201733794 which is also expiring on 09/01/2022 but has no provisions for a contract extension.

Fees for this amendment and the attachments were negotiated in good faith between all parties. Monthly support and maintenance staffing fees are \$250,000 monthly, P2PE processing fees are \$30,000 monthly, and additional services (replacement of broken items not covered under warranty) are \$75,000. It is requested that this amendment be processed quickly to ensure continued parking systems support and parking revenue credit card processing.

**Location (if applicable): DEN**

**WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts): N/A**

**Are WBE/MBE/DBE goals met (if applicable)?**

**Is the contract new/a renewal/extension or amendment?**

Amendment

**Was this contractor selected by competitive process or sole source?**

In 2017, ECCL 4:12 dba NextGen Parking LLC was selected, through a competitive request for proposal (RFP) process, as the awarded vendor for the DEN PRCS replacement project. In May of 2021 DEN entered into a supplemental support agreement to maintain the Parking Signs and Commercial Transportation entries into the public parking areas. For continuity of service until all hardware is installed and the continuation of DEN's ability to process credit card payments and maintain the new system, DEN is electing to amend the support agreement, during which time DEN will complete a thorough procurement process with specific outreach to industry partners to secure a new contract in 2024.
