Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The Recycling Partnership Grant supported testing different recycling messages in different neighborhoods. This grant expired in February of 2020 with a cash balance of \$28,992.64. The Recycling Partnership has authorized the City to use the unspent grant dollars to develop additional recycling outreach messaging. The Office of Climate Action, Sustainability and Resiliency has determined that these dollars can be used in the Climate Office Donations fund to support the City's environmental and sustainability initiatives around recycling outreach
