A resolution approving a proposed Second Amendatory Agreement between the City and County of Denver and Denver Inner City Parish (DICP) to provide additional access to healthy, nutritious food to youth and the community at various locations.

Amends a grant agreement with Denver Inner City Parish (DICP) by adding \$401,062 in Healthy Food for Denver’s Kids sales tax funds for a new contract total of \$1,429,316.82 to provide additional access to healthy, nutritious food to youth and the community at various locations, citywide. No change to contract duration (ENVHL-202266133-02). The last regularly scheduled Council meeting within the 30-day review period is on 5-8-2023. The Committee approved filing this item at its meeting on 4-5-2023.

Affected Council District(s) or citywide? Citywide

Contract Control Number: ENVHL-202266133-02

Vendor/Contractor Name (including any “DBA”): Denver Inner City Parish

Type and Scope of services to be performed:

During the contract year, an organization serving the community dissolved, and there was a gap in services to the community. Denver Inner City Parish approached HFDK to request additional funds to serve 10 sites that would further their reach and also provide services to populations that were no longer being serviced by the dissolved organization. The Healthy Food for Denver’s Kids Commission approved the proposal for additional funds to the existing contract on November 18, 2022. This is being presented after some clarification on budget and scope of work.

The Denver Inner City Parish will utilize HFDK funds on the Greens-N-Grains (GNG) Community Nutrition Food Truck and the Veggie RX Nutrition Education Program. The GNG program will distribute nutritious meals to youth in low food access areas across Denver, partnering with schools, afterschool programs, sporting events, and other community gatherings. The Veggie RX Program utilizes health education, cooking demos, gardening, and food awareness/knowledge to educate youth and families about healthy living. By strengthening participants' capacity to eat and cook healthy meals, plan, and budget for purchasing nutritious foods, understand nutrition labeling, and make empowered, healthy decisions about their diets/eating habits at a young age; both programs aim to increase participants healthy habits and promote active lifestyles. Each year, this program will serve meals and provide mobile education to 2,500 unique youth and provide hands-on nutrition and cooking classes to over 400 unique youth and their families.
