Contract Control Number: GENRL-202054453-01

Vendor/Contractor Name (including any "DBA"): Universal Protection Service, L.P. dba Allied Universal Security Services

Type and Scope of services to be performed:

In response to the city's need for providing shelters for people experiencing homelessness during the declared emergency on the basis of COVID-19, the city established both the National Western Complex and the Denver Coliseum as shelter locations. Because of the shelter expansion, additional security personnel are needed as the citywide security contractor does not have capacity to fulfill the need. Universal Protection Service, L.P. dba Allied Universal Security Services has been fulfilling these critical security personnel services at congregate and non-congregate shelter locations. In order to continue service as this pandemic continues, a term extension and increase to the maximum compensation are required. This amendment also adds required CARES act language for using CARES grant funding language.
