Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The proposed change amends the Classification and Pay Plan by changing the titles of the Motor Vehicle classification series and abolishes one classification.

The Denver Motor Vehicle Division has implemented several organizational changes to improve operational efficiency in delivering services, including reviewing and proposing to change the classification structure and utilization within the Motor Vehicle classification series to align with operational improvements. It is proposed to reduce the number of levels in this classification series, from three to two levels, change the classification titles of two classifications, and abolish one classification.
