Type and Scope of services to be performed:

This is an amendment for MPO SC-00005652 to increase spend from \$450,000.00 to \$2,000,000.00. It allows DEN to procure Genetec Advantage Renewal, 24/7 Pager Support Genetec Advantage Subscription, Support and Training for Genetec Software Licenses. The request to increase is due to DEN construction projects for Concourse Expansion Program and the Great Hall. It was decided that DEN would do the procurement of licensing for any cameras being added for these projects. With these projects we are expected to double our camera coverage from near 2,000 to nearly 4,000 cameras. The support of all DEN cameras will now be under MPO SC-00005652. See attached Request to increase allowable spend against a Master Purchase Order for cost breakdown.
