Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

Lease payments associated with Lease Purchase Agreement No. 2012C with Denver Properties Leasing Trust 2012C" (more commonly known as the East Corridor COP payment) are supported by FASTER revenues and are to be appropriated in the annual budget. The 2020 Long Bill includes a lease payment totaling \$4,710,415 divided between the Capital Improvement and Wastewater Enterprise Funds. \$3,834,955 of the total 2020 East Corridor COP payment has been appropriated into accounting number 31015-5011000-PM008 in the 2020 Budget Book and 2020 Long Bill. However, the appropriation of the portion of this payment made by the Wastewater Enterprise Fund was inadvertently omitted in the 2020 Budget Book and Long Bill. This ordinance request seeks the appropriation of \$875,460 in accounting number 72710-5061000-PA776 to cover Wastewater's portion of this payment obligation.
