Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

As part of the development process in 2016, fee title was inadvertently conveyed to the city by Monaco Self Storage, LLC, rather an easement, in connection with a required dedication. By this resolution, the city will convey fee title to the property back to Monaco Self Storage, LLC, which will in turn grant to the city a permanent easement covering the identical area. There is no change in the effected real property; simply, the nature of the estate will be corrected from a fee interest to easement interest and the parties' interests will then appear as intended.
