**Executive Summary with Rationale and Impact:**

*Detailed description of the item and why we are doing it. This can be a separate attachment.*

Ordinance No. 1192, Series of 2021, authorized spending allocations in the American Rescue Plan Grant Fund, including Recovery dollars that included an additional van for the Wellness Winnie Program. This ordinance was intended to include a section to authorize the purchase of this vehicle, since it will exceed the \$50,000 threshold that requires City Council approval. However, that section of the ordinance was inadvertently excluded. This bill request authorizes the purchase of the vehicle as a corrective action.
