File #: 22-0227 **Version:** 1

Type: Resolution **Status:** Adopted

File created: 2/14/2022 **In control:** Business, Arts, Workforce, Climate & Aviation Services Committee

On agenda: 3/14/2022 **Final action:** 3/14/2022

Title: A resolution approving a proposed Agreement between the City and County of Denver and Aptim Environmental & Infrastructure, LLC to provide rebate administration services to incentivize Denver residents and businesses to adopt highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources, and other climate action technologies. Approves a contract with Aptim Environmental & Infrastructure, LLC for \$9,000,000 and through 3-31-2025 to provide rebate administration services and funding to incentivize the adoption of highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources such as solar photovoltaics and battery storage, and other climate action technologies (CASR-202261885). The last regularly scheduled Council meeting within the 30-day review period is on 4-4-2022. The Committee approved filing this item at its meeting on 3-2-2022.

Item Title & Description:

(Do not delete the following instructions)

*These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title should be in **bold font**).*

Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.

A resolution approving a proposed Agreement between the City and County of Denver and Aptim Environmental & Infrastructure, LLC to provide rebate administration services to incentivize Denver residents and businesses to adopt highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources, and other climate action technologies.

Approves a contract with Aptim Environmental & Infrastructure, LLC for \$9,000,000 and through 3-31-2025 to provide rebate administration services and funding to incentivize the adoption of highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources such as solar photovoltaics and battery storage, and other climate action technologies (CASR-202261885). The last regularly scheduled Council meeting within the 30-day review period is on 4-4-2022. The Committee approved filing this item at its meeting on 3-2-2022.

Affected Council District(s) or citywide? Citywide

Contract Control Number: CASR-202261885

Vendor/Contractor Name (including any "DBA"): Aptim Environmental & Infrastructure, LLC

Type and Scope of services to be performed:

Aptim Environmental & Infrastructure, LLC will act as a third-party climate action rebate administrator to provide funding to incentivize the adoption of highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources such as solar photovoltaics and battery storage, and other climate action technologies.

This is an expenditure contract for Aptim Environmental & Infrastructure, LLC (Aptim) to act as a third-party climate action rebate administrator to provide funding to incentivize the adoption of highly efficient, all-electric energy equipment, electric modes of transportation, distributed energy resources such as solar photovoltaics and battery storage, and other climate action technologies. Of the \$9,000,000.00 in funding for the rebate program, Aptim will be eligible to receive a fee of up to 8% of all rebates issued as compensation its services.

Without these rebates, residents and businesses will be hesitant to adopt climate action technologies and contractors may not be as aware of the technologies. The rebates will ensure a more rapid market adoption, leading to greater emissions reductions sooner. The technologies included and the levels of incentives offered by Aptim will be set in partnership with CASR based on market research and will be updated regularly as market conditions change to advance rapid and equitable decarbonization in Denver.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts): N/A

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment? New

Was this contractor selected by competitive process or sole source? Competitive

For New contracts

Term of initial contract:

April 1, 2022 through March 31, 2025

Options for Renewal:

How many renewals (i.e. up to 2 renewals)?

Term of any renewals (i.e. 1 year each):

Cost of initial contract term: \$9,000,000

Cost of any renewals:

Total contract value council is approving if all renewals exercised:

For Amendments/Renewals Extensions:

Is this a change to cost/pricing; length of term; terms unrelated to time or price (List all that apply)?

If length changing

What was the length of the term of the original contract?

What is the length of the extension/renewal?

What is the revised total term of the contract?

If cost changing

What was the original value of the entire contract prior to this proposed change?

What is the value of the proposed change?

What is the new/revised total value including change?

If terms changing

Describe the change and the reason for it (i.e. compliance with state law, different way of doing business etc.)
