Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

In the 2019 budget Parks and Recreation requested a truck to support a new plumbing maintenance employee, this type of employee actually needs a 1 Ton Van to do their work and not a truck. The price of both of these items is the same but since the truck was in the Appropriation Long Bill this swap needs authorization from City Council. This is fleet reference number 19-721.
