Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

In keeping with the CPD goals of transparency and outreach, the proposed Mailed Rezoning Notice Text Amendment #1 adds a requirement for mailed notice to be sent to property owners within a 200-foot radius of a property to be rezoned. Currently, when CPD receives a complete rezoning application, staff send notification to the following parties, first at the time the application is received and again ahead of the Planning Board public hearing on the rezoning:

- The city council members in whose district the subject property is located
- The at-large city council members
- Registered neighborhood organizations registered according to the Denver Revised Municipal Code (D.R.M.C.) Section 12- 94 whose boundaries encompass or are located within 200 feet of the proposed rezoning

This proposal would require CPD to also notify by mail all real property owners within 200 feet of the proposed rezoning, both at the time the application is received and again at least 15 days before the Planning Board public hearing on the rezoning.
