

Legislation Details (With Text)

File #: 21-0575 **Version:** 1

Type: Resolution **Status:** Adopted

File created: 5/13/2021 **In control:** Finance & Governance Committee

On agenda: 6/7/2021 **Final action:** 6/7/2021

Title: A resolution approving a proposed Fifth Amendatory Agreement between the City and County of Denver and Environmental Systems Research Institute, Inc. to increase the compensation and update applicable appendices for use of the ESRI ArcGIS software for the City's Geographical Information Systems.
Amends a contract with Environmental Systems Research Institute (ESRI) by adding \$200,000 for a new total of \$4,969,305 to allow for additional usage and functionality of the ESRI ArcGIS software used within the City's Geographical Information Systems (GIS). No change to contract duration (TECHS-202158465). The last regularly scheduled Council meeting within the 30-day review period is on 6-28-21. The Committee approved filing this item at its meeting on 5-25-21.

Contract Request Template (Contracts; IGAs; Leases)

Date Submitted: 5-13-21

Requesting Agency: Technology Services
Division:

Subject Matter Expert Name:

Name: Joe Saporito
Email: joseph.saporito@denvergov.org

Item Title & Description:

(Do not delete the following instructions)

These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title should be in **bold** font).

Both the title and description must be entered between the red "title" and "body" below. Do **not** at any

time delete the red "title" or "body" markers from this template.

A resolution approving a proposed Fifth Amendatory Agreement between the City and County of Denver and Environmental Systems Research Institute, Inc. to increase the compensation and update applicable appendices for use of the ESRI ArcGIS software for the City's Geographical Information Systems.

Amends a contract with Environmental Systems Research Institute (ESRI) by adding \$200,000 for a new total of \$4,969,305 to allow for additional usage and functionality of the ESRI ArcGIS software used within the City's Geographical Information Systems (GIS). No change to contract duration (TECHS-202158465). The last regularly scheduled Council meeting within the 30-day review period is on 6-28-21. The Committee approved filing this item at its meeting on 5-25-21.

Affected Council District(s) or citywide? Citywide

Contract Control Number: TECHS-202158465

Vendor/Contractor Name (including any "DBA"): Environmental Systems Research Institute

Type and Scope of services to be performed:

The City and County of Denver extensively uses ESRI's industry-standard ArcGIS products as the core for all map-based information services, including 911, 311, Denvergov.org, planning and development, property taxation, fire station response time analysis, crime analysis, asset management, and addressing. This Enterprise License Agreement lowers the cost-per-unit for GIS software and substantially reduces administrative and procurement expenses.

The software covered under this agreement also enables critical mapping integrations with the following enterprise applications:

- Salesforce
- Pocketgov
- Accela
- Workday
- GenTax
- Tyler Tax Collection System (CORE)
- Real Property Application
- Denver Maps (external facing mapping application)
- Map It Denver (internal facing mapping application)
- Crime Records Management System
- OEM Situational Awareness Tool
- Denver Open Data Catalog
- Fire Department Drone Program

This amendment will allow the City to add DEN into the City's Enterprise License agreement and adds functionality including, but not limited to:

- ArcGIS Hub Community Engagement Software
- ArcGIS Urban

- Drone2Map for ArcGIS Online
- ArcGIS Full Motion Video
- ArcGIS Aviation for Airports for ArcGIS Desktop for US Airports: Bundle Maintenance
- ArcGIS Aviation for ArcGIS Desktop: Concurrent Use
- ArcGIS Aviation Charting for ArcGIS Desktop: Concurrent Use

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts):

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment?

Was this contractor selected by competitive process or sole source?

For New contracts

Term of initial contract:

Options for Renewal:

How many renewals (i.e. up to 2 renewals)?

Term of any renewals (i.e. 1 year each):

Cost of initial contract term:

Cost of any renewals:

Total contract value council is approving if all renewals exercised:

For Amendments/Renewals Extensions:

Is this a change to cost/pricing; length of term; terms unrelated to time or price (List all that apply)?

If length changing

What was the length of the term of the original contract?

What is the length of the extension/renewal?

What is the revised total term of the contract?

If cost changing

What was the original value of the entire contract prior to this proposed change?

\$4,769,305

What is the value of the proposed change?

\$200,000

What is the new/revised total value including change?

\$4,969,305

If terms changing

Describe the change and the reason for it (i.e. compliance with state law, different way of doing business etc.)
