A resolution approving a proposed First Amendment between the City and County of Denver and Burns & McDonnell Engineering Company, Inc. concerning on-call commissioning services at Denver International Airport.

Amends a contract with Burns & McDonnell Engineering by adding two years for a new end date of 1-10-23 for on-call commissioning services for capital improvement projects construction contracts at Denver International Airport. No change to contract amount (PLANE-202055062-01). The last regularly scheduled Council meeting within the 30-day review period is on 10-26-20. The Committee approved filing this item at its meeting on 9-23-20.

Affected Council District(s) or citywide? Council District 11

Contract Control Number: PLANE-202055062-01

Vendor/Contractor Name (including any "DBA"): Burns & McDonnell Engineering

Type and Scope of services to be performed:

In 2018, DEN signed contracts with Burns & McDonnell (BMcD) Engineering to provide on-call

commissioning services relating to DEN's capital improvement projects for a three-year term.

This 1st amendment is to extend the contract with BMCD for an additional 24 months with no additional funds added. This is to cover work needed to continue commissioning services as the next procurement will be delayed easing DEN's overall operating budget. This will continue on-call commissioning services for capital improvement projects construction contracts. All projects will be completed by individual task order. The current contract term is three years and a two-year extension is being requested as part of this amendment. The contract value is \$2,000,000.00 encumbered by task order. The on-call commissioning services may include pre-design, design, construction and post-occupancy commissioning services as required per task order. This amendment will not increase contract capacity.
