Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The voter approved sales tax increment for park improvements in 2018 was originally identified as *Parks, Trails and Open Space Fund* in code. To better reflect the impact and improve messaging on the use of tax dollar on the entire Denver Parks systems, Denver Parks & Recreation has branded the proceeds as *Legacy Fund*. The name change in code will allow for recissions and reappropriations for fund name that is being used by financial division of both DPR and Budget Management.
