Title: Adds \$15,000 and extends for three months the contract with Kone, Inc. for elevator maintenance for city buildings to provide service while a new long-term contract is completed (PC94002). This ordinance approval request is for an amendment that would extend PC94002 for three months and increase the contract amount by \$15,000. The contract is between the City and Kone, Inc. for Elevator Maintenance for City buildings which resulted from a public solicitation in 2008. The contract was for a five year term initiated on January 1, 2009 and expiring on December 31, 2013.

A new solicitation was completed in 2013 and a new contract is being drafted to cover Elevator Maintenance services moving forward, however; the new contract will not be fully executed prior to December 31, 2013. The amendment to extend contract PC94002 will allow coverage while the new contract can be completed.
